

21 April 2016

Dear Colleagues,

Please be advised that with respect to the appointment of a Nominations Committee for the next General Assembly, the Executive Committee asks that you await a communiqué from the Working Group established with ICSU to explore closer institutional alignment and possible amalgamation between the two organizations (e-mail from 15 February: Joint Working Group on Future ICSU-ISSC relations). The Working Group has completed its recommendations. This communiqué will impact upon the nominations process and I kindly request your understanding for the short delay.

Thank you for your consideration and continuing support.

Sincerely,

Alberto Martinelli
